Pedigree For:
JEWEL

AKC CGC title
33" at the shoulder
140#
Orivet Genetic testing panel- NORMAL
OFA Cardiac Evaluation- NORMAL
OFA CAER(EYE) Evaluation- NORMAL
*

Jewel is a snuggle hound. She is very relaxed and laid back. Her deepest goal in life is to be as close to me at all times as possible. She has no problem being left alone, but any chance she can be touching, she's taking it! lol
