Pedigree For:

Noisy (AKA Beau Jr)

Blue Brindle male (No white)

Noisy is my pick of the litter! He had a rough start. Born not breathing after aspirating during delivery, Noisy had to be resuscitated. He was quiet and slower to progress than his siblings for the first 24 hours. But once he became strong, he was the busiest, noisiest pup of the bunch! This little guy has a strong will, and a strong hold on our hearts. He is no longer extra noisy, but the name has stuck. lol.
